## FROM THE CHAIRMAN'S DESK

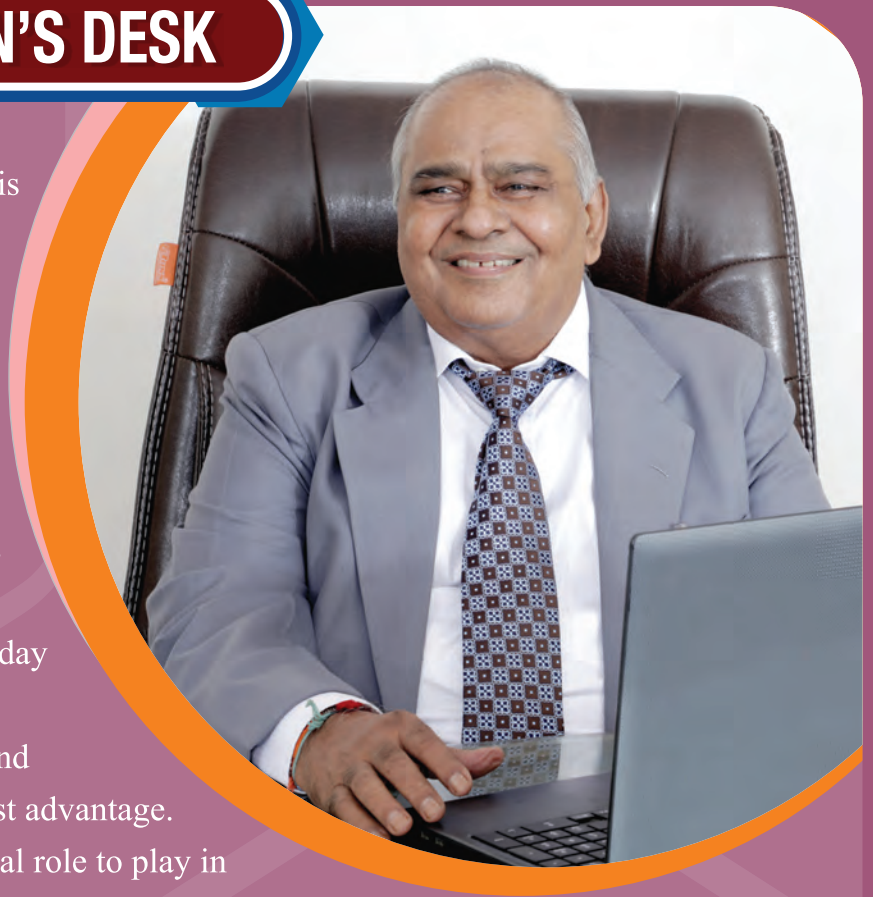

The fast changing business environment is changing the mindset of the professionals. Today, nobody thinks only of winning the country's markets, the view is on global markets and to get access to unexplored international business potential. The risks are high but the lure of returns is attracting corporates to new pastures. The future promises are even more challenging. A professional today has to be much more familiar with the changing economic and business scene and should be in a position to use skills to best advantage.

Innovative Group of Colleges has a crucial role to play in the changing environment. We at Innovative Group of Colleges train the upcoming professionals not just in the traditional subject, but also go much beyond the contemporary issues that affect today's business.

The global economy is poised for high growth and only professionals who can cope with this challenging environment can become successful. "Our curriculum addresses a higher degree of awareness to change and train the new generation professionals in skills that make them effective and efficient professionals." They need to be trained not only to become professionals but also to be effective leaders. Professionals should function with a vision that transcends boundaries and a quality of learning and implementation as well. Our Institutes have enormous responsibility in building the confidence and leadership qualities in the upcoming professionals and in moulding their personality holistically.

At Innovative Group of Colleges we have a vision that symbolizes dynamism and human values. We have worked out a curriculum that would dynamically address the issues of the future which will bring confidence and leadership in students. Come, join us and share our vision for a bright future.

Dr. K. R. Sharma  
Chairman  
Innovative Group of Colleges

# COLLEGE CAMPUS

The Innovative family firmly believes that the learning experience extends beyond the four walls of a class room. Nevertheless, infrastructure is the base on which a good Educational Environment can be built, and hence we have created the best possible infrastructure also. Our Campus spread over an area of 5.75 acres is situated in a clean, peaceful and pollution-free environment ideal for academic pursuits, located next to India Expo Mart, Greater Noida, just a walk from the Knowledge Park-2 Metro Station and provides the students the opportunity to study in the lap of nature for the development of free thoughts and creative minds.

## CAMPUS INFRASTRUCTURE

Considering the fact that Innovative Group, at any time, caters to a cumulative assemblage of nearly 2000 students, it has created the requisite on-campus vast infra-structure with following facilities for an appropriate student-life milieu :-

- Separate Academic Blocks for each Scholastic Stream.
- Operational Common Administrative Block
- Well-stocked Computerized Separate Libraries
- Fully-equipped Seminar Hall
- Dedicated Laboratories
- Animal House
- Herbal Garden
- Ideally-structured Moot Court
- Well-provisioned Hostel
- Full-time Cafeteria
- Indoor Games Hall
- Quality Outdoor Games Training Facility (Cricket and Lawn Tennis)

# LIBRARY

*“The only thing you absolutely have to know is the location of library” – Albert Einstein*

A well-stocked library, a veritable “House of Wisdom”, is the backbone of any academic institution. Our Libraries have a rich stockpile of printed and electronic tomes which include :

Latest books related directly to subjects in the curricula. Books which deal with related disciplines and allied fields-Reference Books, Dictionaries, Encyclopaediae, Project Reports, Journals of Supreme Court as well as Law Reporters, e-books and access to National Digital Library of India (NDLI).

- Database and Audio-visual material.
- Access to National Digital Library

Selected books of general interest of curricula, extra-curricular or re-creational reading, by authors of National and International repute. The spacious reading-hall provides ambient environ to stimulate volitional learning.

# COMPUTER FACILITIES

# MOOT COURT (SIMULATION MODULES)

We have a well appointed Moot Court complete with a reality-like façade. Through simulation sessions and national/inter-collegiate competitions the students are exposed to the qualitative atmosphere of the Courts besides honing their skills in law-research, advocacy and physical pleading. Moot Court helps the students of law in practical legal training to build analytical reasoning, legal aptitude, exploit the team-resources and above all, make them responsive and ready to take up law-practice after completion of their degree course.

## SEMINAR HALL

*(“Within the confines of the lecture hall, no other virtue exists but plain intellectual integrity”  
– Max Weber)*

The near-500 capacity Seminar Hall is fully air-conditioned and is equipped with the latest audio / video facilities. It is frequently used by the Institute to arrange lectures / talks and expositions by Eminent Speakers and Renowned Scholars on various aspects to broaden the students' outlook and awareness besides sharpening their mental agility and skills. The facility is instrumental in providing the students a constant exposure to the corporate world and advocacy milieu through regular seminars, workshops and symposiums where the best experts share their valuable experiences.

*(“What one gains in a classroom can never be stolen from him”  
- Old Indian Saying)*

## SMART CLASS

Classroom teaching is emphasized- it is a theatre of knowledge where we inculcate a deep understanding and love for the subject and groom the students in their respective fields of study. Sound teaching practices used lead to nurturing a sense of social responsibility among students, in the available environment. All the classrooms are comfortably spacious and acoustically designed to facilitate a bilateral process of understanding and growth. We use latest techniques such as LCD / Slide projectors, OHPs, computer/internet access which supports both offline / online programmes.

## LABORATORIES

The premises has well equipped spacious Department Laboratories for all the subjects of Pharmaceutical Sciences-Pharmaceutical Analysis, Pharmacognosy, Pharmaceutical Chemistry, Medicinal Chemistry, Pharmaceutics, Bio-pharmaceutics, Pharmacology, Pharmaceutical Engineering, Physiology, Microbiology and Biotechnology, as per the educational regulations laid down by PCI. Experiments are designed on the basis of theory so that the students can understand the concepts easily.

## ANIMAL HOUSE

Innovative College of Pharmacy has an excellent and well maintained CCSEA (Committee for Control and Supervision of Experiments on Animals) approved animal house with animals like rats / mice and rabbits, besides observation room with air-conditioned facilities and documentation room. Institutional Animal Ethics Committee (IAEC) has been formed as per CCSEA guidelines. The animal house is an added resource for M.Pharm, Ph.D and related Research. We also provide research protocol approvals.

## MEDICINAL GARDEN

The Institute has developed a good number of medicinal and aromatic plants in its well-organized Medicinal Garden. These medicinal plants enthuse the students to identify them for demonstration as well as extraction of different kinds of drug-bases and also to generate an aptitude for research in Pharmacognosy and Photochemistry.

# FACILITIES AVAILABLE

## HOSTEL

The Innovative Group offers residential facilities for students, staff and faculty with modern amenities like gymnasium, tea lounge, launderette and wireless internet connectivity. Spacious rooms are equipped with necessary accoutrements like beds, study tables and cupboards, besides facility for clean toilets and bathrooms with warm water throughout the year and 24-hour power back-up for a comfortable living experience. Tasty, hygienically prepared, healthy meals are provided at reasonable rates. The hostel is provided with round-the-clock security and has an on-campus full-time warden managing the day-to-day administration and students are expected to abide by the rules. The hostel is managed by a student body which is assisted by College advisory body.

## CAFETERIA

The Institute's Cafeteria is capable of providing hygienically pre-packaged snacks and freshly cooked meals to the students, faculty and staff throughout the day. This facility is managed by a professional team, fully committed to ensure that the quality of food served, ambience and high standards are maintained.

## SPORTS FACILITIES

We believe in the adage, 'A healthy mind dwells in a healthy body'. A perfect blend of academics and sports ensures all-round development of every student. Accordingly, both indoor games and outdoor sports and physical activities are promoted amongst students; besides annual events are conducted to develop physical vigor and competitive spirit among the students.

# CULTURAL CLUB

Social and cultural activities not only help students to identify themselves with the societal environment but also assist students to develop themselves in a desired field and also improve skills such as organizational, presentation, leadership and interpersonal communication through celebration of festivals, charity events, Exhibition/workshops, dance/music competitions, volunteer-stint in the local community, heritage tours and the like.

The cultural club promotes various cultural and extra-curricular activities through organizing events like declamation contests, debates, seminars, quiz-contests, and 'Rangoli' competition etc., thus exploiting latent talent in our students because we do not want our students to be only book-worms but all-rounders in every field.

*“Future Ready for New India”*

## FIELD VISITS

*“Field trips are powerful learning experiences.... maximizing the learning, requires thoughtful work done before and after the trip”  
- Jennifer Orr*

As a proactive step to keep the professional aspect of education rooted to experiential learning the College organises regular visits by the students to the local Police Station, District Courts, Consumer Commission, High Court, Lok Adalats, Legal Literacy Camps, Parliament House, NGOs, Administrative Authority / Local Self-Governing Authority Offices, Labour Court, and LPOs.

## INDUSTRIAL VISITS

- Industrial visits are organized by Innovative Group of Colleges to enable a better understanding of industry practices and regulations. Visits to leading pharmaceutical companies known for high-quality products, antibiotics and other lifesaving drugs like, T &G Medicare ( Baddi, HP) & Polestar Power Industries (Barotiwala, Baddi) impressed the students by the level of attention given to quality control and the safety measures in place to prevent contamination. Industrial visits to Yakult factory and Arbro Pharmaceuticals were a unique learning experience for our students.

# MOOT COURT COMPETITION

*“Future Ready for New India”*

# PHARMACY WEEK

# INTERNATIONAL SEMINAR

- The International Seminars organised can be highly beneficial for career development. They offer a chance to network and learn from industry leaders. In addition, conferences can also help to stay up-to-date on the latest trends and developments in the industry.

## RAGGING IS AN OFFENCE REWARD IS JAIL

Ragging in any form by any student inside or outside the Innovative Group of college's campus or hall of residence is strictly prohibited. As per the judgement of Honourable Supreme Court ragging in any form is a punishable heinous crime. As per the latest amendment to UGC Regulations on curbing the menace of ragging in higher educational institutions, ragging is defined as-

**“Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance nationality, regional origins, linguistic identity, place of birth, place of residence, and economic background”.**

Innovative Group of colleges has constituted Anti-Ragging Committee and Anti-Ragging Squad for preventing ragging in college campus and in Hostel. CCTV cameras are installed at all locations known to be vulnerable to occurrences of ragging incidents.

“Anti-Ragging Helpline” means the Helpline established by the UGC under UGC Regulations on curbing the menace of ragging in Higher Educational Institutions, in 2009 under UGC Act 1956. Its purpose is to achieve the objective of eliminating ragging, within the institution or outside.

UGC “Anti-Ragging Helpline” number (24X7) 1800-180-5522, 011-23382087, E-mail: [helpline@antiragging.in](mailto:helpline@antiragging.in)
